

Nonantum Children's Christmas Party Association, Inc.

December 17, 2020

We would like to offer our sincerest thanks to all those who made our Holiday Roll a success. For many years Alderman Allan 'Jay' Ciccone Jr., along with many others in the community, pushed for the revival of our traditional Christmas Parade, making it fitting to hold the first Holiday Roll in memory of our friend Jay.

A lot of time and effort was put into this event and none of it would have been possible without many dedicated volunteers, including: the Pellegrini and Anderson families, the Clemente family, David Proia and family, Larry Merrill and family, Chuck Proia and family, the Battista family, Mike Paola, Micaela Vecchione, Jamie Burdge, and Brenden Shea, and for the use of their vehicles: Four Seasons Services, Roadside Rescue, Wheely Polished and Pao Corp, and all others who volunteered countless hours to build, decorate, and drive floats, and to plan, execute and make this event such a success!

For their generous financial contributions, we thank the St Mary of Carmen Society, the Newton Firefighters Union, and every individual, family and organization who helped support this event.

We also thank DJ's Ron Vanaria and Steve Aitchison for 12 years of providing Christmas Carols at our events now to include the Holiday Roll; the Newton Police for escorting Santa through the neighborhood and for all you do for us throughout the year; and the Newton Tab, NewTV, the Boston Globe and all who helped publicize this event.

We want every volunteer who helped make this event such a success know that we are thankful for you. None of this would be possible without generous community-oriented people like you.

Lastly, we thank this great community for your continued support of these traditions. Your outpouring of support and turnout at the roll was incredible!

Merry Christmas and thank you!

Sincerely,

Linda Anderson, Anthony Pellegrini Jr., and Anthony Clemente
